Amen.

6. Technology'ize my disciples not, not; in bringing them forth into the scholastic academic'ry of notme, not; but a me purely, simple hearer; and crystal be the water river of truth, tainted with academic standards of man's mind no longer controlling what I do say and bring forth. 7. Amen. Done. Again. Amen.

but you reformatting my drive, not; but yea, reforming and refashioning a man after my own heart, not; but refashioning and forming a me. A me after me, not; but the me that I am is, was, and is again, purely and pure, the me not tainted again.

Amen.

14. I go, peace study. Diligently, well. The wells of mine now open, and all know my openness now. Amen. Because of one who loved me, and died to get these words out of him into you'ship that you really is - the all of you, reading these words day after day becoming me. Amen.
